The detenu (Mst. Marie) is present in court and states that she is Sui Juris and living with her family happily. She denies the Nikahnama as well as the affidavit of free will and states that the same were obtained from her forcibly. She states that this was done under duress from her threatening her of dishonoring her in the eyes of public and her family by making the objectionable videos of her, and she was forced to make their signatures/thumb impressions. Counsel for the applicant is present and so also the counsel for respondent as well as detenu are present. However, in such circumstances as the detenu herself made a statement that she being Sui Juris is free to live her life as according to her whims and wishes. In the meanwhile, the alleged detenu has requested for providing protection to her and her family members from the applicant as she is being threatened by him.

Be that as it may, SHO concerned is directed to provide protection to the alleged detenu as well as her family members within four corners of law. Matter stands disposed of in the above terms.
