Ms. Sultana Begum, advocate for the petitioner

1. Urgency application granted.

2 to 5: In the instant petition the petitioner seeks appropriate action against the respondents No. 8 and 9 who is his father and brother for raising illegal construction on the property bearing No.A-634, Block-L, North Nazimabad, Karachi in which interestingly the petitioner is also residing. The petitioner has also stated that he is being harassed by the said respondents and that criminal proceedings may also be initiated against the said respondents. Ms. Sultana Begum is present for the petitioner and has reiterated the above prayer made in the instant petition.

At the very outset, the counsel for the petitioner was asked as to how this petition is maintainable as from the contents of the petition it appears that the same is a private dispute between petitioner and his father and brother, being the respondents No.8 and 9, and that if the petitioner is being harassed or any criminal activity is being done, the remedy is provided under the law in this behalf. Counsel appearing before us could not controvert that this is not a private dispute between petitioner and his father and brother, however she states that so-far-as the criminal activity of the respondents No.8 and 9 are concerned, petitioner has also moved an application before the concerned SHO in this behalf.

Be that as it may, it is apparent from the contents of the petition that the matter appears to be purely a private dispute between the petitioner, his father and his brother and secondly since ^{an} ~~the~~ application  has already been moved to the concerned SHO, the petitioner should seek his remedy as available to him under the law so-far-as the application is concerned.

This petition is found to be not maintainable hence dismissed along with all the listed applications.
