=====

This petition has been filed with the declaration that the petitioner being retired employee of the government has right that one of his child may be appointed in the department where he has served. He submits that though he has no law in support of that declaration however, the collective bargaining agent and local government have entered into agreement to such effect even that agreement has not been filed by the learned counsel for the petitioner which he claims to be in possession of the department.

Be that as it may, when enquired as to what law would sanction such agreement as it would deprive other deserving candidates who may be eligible, learned counsel candidly concedes there is no such sanction of law which could approve such agreement of the collective bargaining agent against the right of deserving candidates.

Since the petitioner has failed to establish such fact with regard to the declaration he is seeking in this petition, hence this petition is dismissed having no merits.
