-----

This is an old case of 2018, which is over seven years ago. This matter was last taken up on 25.1.2018, which is over seven years ago. An interim stay has been operating in favour of the petitioner for the last seven years and this is the reason, why he has failed to pursue this petition in the last seven years as he has benefit of the stay order operating in his favour. Today, none present for the petitioner without intimation. It appears that the petitioner has lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith listed / pending application(s).
