Mr. Israr Ahmed Kalhoro advocate for the respondent / PSM

This is an old case of 2021, which is over four years ago. On the last date of hearing i.e. 10.1.2023, a counsel held brief on behalf of learned counsel for the petitioners. The question of maintainability is still outstanding. The petitioners have failed to pursue this petition diligently in the last two years. Today none present for the petitioners without intimation. It appears that the petitioners have lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith listed / pending applications.
