

**ORDER SHEET**  
**IN THE HIGH COURT OF SINDH AT KARACHI**  
Constitutional Petition No. D-4055 of 2018

Date	Order with signature of Judge(s)
------	----------------------------------

For order as to maintainability of petition

**25.4.2025**

None present for the petitioners

-----

This is an old petition of 2018, which is over seven years ago. It was last taken up on 23.5.2018, which is over seven years ago, when learned counsel for the petitioner was put on notice to satisfy this Court about the maintainability of this petition. In the last seven years the petitioners have not pursued this petition and the question of maintainability still remains outstanding. Today, despite lapse of seven years, the petitioners are called absent without intimation. It appears that the petitioners have lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith pending application(s).
