This is an old petition of 2021, which is over four years ago. On inception, when it was taken up on 25.10.2021, learned counsel for the petitioner was called absent without intimation. Despite the lapse of almost four years, learned counsel for the petitioner has failed to diligently pursue this petition. Today once again, learned counsel for the petitioner is called absent without intimation. It appears that the petitioner has lost interest in pursuing this four years old petition, which is accordingly dismissed for non-prosecution alongwith listed application.
