This is a case of 2018, which is over five years old. None present for the petitioners without intimation. Learned counsel for the respondent / SBCA states that the remedy of the petitioner at the first instance lies under Section 18-A of the Sindh Building Control Ordinance, 1979 and also other sections of the Ordinance, which the petitioner fails to avail. This being the case, since the petitioner has an alternate remedy available to him under the law, this petition is dismissed being not maintainable and also for non-prosecution.
