None present for the petitioner

-----

This is an old petition of 2022, which is almost three years ago. Since inception, none has appeared for the petitioner without intimation. Learned counsel for the petitioner has failed to pursue this petition diligently in the last three years. Today, once again, learned counsel for the petitioner is called absent without intimation. It appears that the petitioner has lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith listed application.
