Mian Zaheer Muhammad Babar, Advocate, has filed the *vakalatnama* on behalf of Respondents No. 4 to 8, along with comments/objections on behalf of the said respondents. Respondents No. 5 and 6 are present in person and submit that, as per NEPRA policy, the required electricity load of 350 KVA is to be sanctioned. However, in the year 2010, a load of 50 KVA was approved, which is contrary to the policy. However, they undertake to provide the electricity subject to NEPRA policy, upon payment of the demand notice by the petitioner for the remaining 300 KVA.

Keeping in view the above, the instant constitutional petition stands ***disposed of*** with directions to the respondents to provide electricity to the petitioner upon payment for the remaining 300 KVA and completion of the formalities required by law.
