Mr.Mushtaq Ali Tagar, Advocate for the applicant

1. Granted.

2to4. Through this application under Section 561-A, Cr.P.C., the applicants have challenged the order dated 27.07.2026 passed by the learned 1st Additional Sessions Judge/Ex-Officio Justice of Peace, Hyderabad, whereby their application under Sections 22-A & 22-B, Cr.P.C. seeking legal protection and restraint against registration of false cases was dismissed.

The record reflects that the learned Justice of Peace had called comments from the concerned police authorities, who reported that various criminal cases had already been registered against the applicants and that they were involved in criminal activities. Consequently, the application was found to be devoid of substance and was dismissed.

I have heard learned counsel for the applicants and have examined the impugned order as well as the material placed on record. The applicants alleged threats, harassmt and apprehension of false implication. Such matters require factual inquiry and determination by the competent forums in accordance with law and cannot be adjudicated in the inherent jurisdiction of this Court. Furthermore, no jurisdictional defect, illegality, perversity, misreading or non-reading of material has been pointed out in the impugned order warranting interference. The order passed by the learned Justice of Peace appears

to be based upon the material available before him and does not suffer from any legal infirmity.

In these circumstances, no case for invoking the inherent jurisdiction of this Court is made out. Consequently, this Criminal Miscellaneous Application is **dismissed** in *limine*, along with pending application (s).
