Mr. Zulfiqar Ali Arain, advocate for the applicant

Following question of law was proposed for determination :

“Whether the Hon'ble Appellate Tribunal has not erred in deciding the case by ignoring the report of authorized government Laboratory i.e, Forensic Science Laboratory (FSL) Hyderabad that clearly indicates that the present chassis sheet of the said vehicle is cut and welded at the site of original chassis sheets?”

Learned counsel demonstrates from the record that the FSL report clearly states that the chassis number of vehicle is tampered. The relevant report is available at page 43 of the court file. Learned counsel states that this is no case of first impression and the question has time and again been decided in favour of the applicant department inter alia by virtue of judgment in the case of Abdul Karim reported as 2025 SCMR 969. Learned counsel seeks that in mutatis mutandis application of the binding authority the question be answered in favour of the applicant department and the impugned judgment be set aside. Order accordingly.

A copy of this decision may also be sent under the seal of this Court and signature of the Registrar to the learned Customs Appellate Tribunal, as required per section 196(5) of the Customs Act, 1969.
