Apparently, the principle settled for proper decision of controversy in impugned case is ought to be decided by 'Classification Committee" having expertise to do the same as settled dictum laid down by Honorable Apex Court, in the case K.S. Sulemanji (2025 SCMR 121)?
2. Whether Member Judicial sitting singly grossly ignored its jurisdiction and decide technical controversy of determination of PCT classification without two-member bench with Member Technical, as the impugned order passed in violation of Honorable Supreme Court settled principle of Sulemanji Judgment the same is binding?
