The Petitioner is an importer of medical equipment, registered with the Drug Regulatory Authority of Pakistan (DRAP) and has imported several consignments of catheters. It is stated that three such consignments were earlier imported and cleared, with an objection as to classification having subsequently been raised by the department. Learned counsel submits that the Petitioner is willing to face such proceeding as may ensue in relation to those consignments, however, the consignment which is pending clearance (G.D. No. KAPW-HC-86940-12-11-2025 filed as Annexure-B at pages 17 to 23 of the Court file) ought not to be withheld on that score. Learned counsel appearing on behalf of the department has filed a statement enclosing certain annexures. He invites attention to the same and documents enclosed therein and submits that certain NOCs' / certificates from the DRAP are required in the matter of the pending consignment and undertakes that subject to fulfillment of those requirements, the consignment would be cleared on its own terms in accordance with law, notwithstanding any dispute relating to the earlier consignments. Learned counsel for the Petitioner is satisfied and submits that the Petitioner would fulfill the relevant documentary requirements. Under the circumstances, the petition stands disposed of in the foregoing terms.
