

**IN THE HIGH COURT OF SINDH, CIRCUIT COURT**  
**LARKANA**

**Constitutional Petition No. D-805 of 2025**

***Before:***  
***Mr. Justice Amjad Ali Bohio,***  
***Mr. Justice Ali Haider 'Ada'.***

Petitioner: Ghulam Ali Shah son of Syed Ubedullah Shah, *through* Mr. Muhammad Khan Chandio, Advocate

Respondents: Province of Sindh and others, *Through*, Mr. Saeed Akbar Siyal Assistant Advocate General, along with S.I.P Ashiq Ali on behalf of D.I.G.P. Range Police, Larkana.

Date of hearing: 30-09-2026  
Date of Order: 30-09-2026

**ORDER**

**Ali Haider 'Ada', J:-**, The main contention of the petitioner is that his appointment to the post of Police Constable was declined solely on the ground that he was found to be suffering from Hepatitis-B. The petitioner has denied the said finding and, in support of his contention, has placed reliance upon a report issued by Aga Khan University Hospital, Karachi, wherein his Hepatitis-B test was reported as non-reactive.

2. In view of the differing medical reports, respondent No.2 is directed to depute an officer not below the rank of DSP to accompany the petitioner for the purpose of undergoing a fresh

test for Hepatitis-B. The sample shall be collected in the presence of the said officer and, for this purpose, the petitioner shall be produced before a recognized laboratory or Aga Khan University Hospital, Larkana, as may be available, for collection and examination of the sample. The test report shall be obtained in a sealed envelope and forwarded directly to the Inspector General of Police, Sindh (respondent No.4).

3. In case the fresh report establishes that the petitioner is non-reactive for Hepatitis-B, the case of the petitioner shall be placed before the Inspector General of Police, Sindh (respondent No.4), for reconsideration and further processing of his candidature for appointment, in accordance with law.

4. This direction is necessitated by the fact that, presently, no other material has been placed on record to demonstrate that the petitioner does not fulfil the prescribed medical criteria, apart from the disputed medical report regarding Hepatitis-B.

5. In view of the foregoing facts and circumstances, the instant petition is disposed of with the above directions. Respondent No.2, SSP Larkana, shall ensure that the exercise of collection and examination of the petitioner's sample is completed within one week from the date of receipt of this order. Upon receipt of the medical report, respondent No.4, Inspector General of Police, Sindh, shall proceed with the matter expeditiously and pass an appropriate order within two months thereafter.

6. The instant petition is accordingly disposed of in the above terms.
