**IN THE HIGH COURT OF SINDH, CIRCUIT
COURT, HYDERABAD.**
C.P.No.S- 729 of 2019

DATE	ORDER WITH SIGNATURE OF JUDGE
------	-------------------------------

1. For orders on MA-2460/19
2. For orders on MA-2461/19
3. For orders on MA-2462/19

29.11.2019.

Mr. Mazhar Ali Laghari, advocate for petitioners.

=

1. Urgency granted.
2. Granted subject to all just exceptions.
3. The petitioner by way of instant application has sought for prosecution of the respondents for having committed contempt of court for keeping his brother and relative under wrongful confinement and for threatening him to be involved in false cases in disregard to order dated 04.10.2019 passed by this Court which reads as under;

“It is stated by learned Assistant A.G on behalf of official respondents that they will not harass the petitioners without due course of law and provide protection to them in accordance with law. It is disposed of accordingly.”

It is contended by learned counsel for the petitioner that the respondents not only have kept his brothers and relatives in under wrongful confinement but have threatened the petitioner to be involved in false cases. By contending so, he sought for prosecution of the respondents for having committed willful disobedience to lawful order of this Court.

I have considered the above argument and perused the record.

If, for the sake of arguments it is believed that the brother and relatives of the petitioner were confined illegally by the respondents, then their such act ought to have been impugned by the petitioner by way of making an application u/s 491 Cr.P.C before the Court having jurisdiction. It is not done by the petitioner for no obvious reason. The apprehension with the petitioner, if any, to be involved in a false case by the respondents could hardly be made a ground to initiate contempt proceedings against the respondents for violating order of this Court in petition which was simply disposed of on the basis of statement of learned A.A.G.

Consequent, upon above discussion, the instant application being misconceived is dismissed in limine.
