Muhammad Ali Mazhar J., The petitioners have raised the contention in this petition that for last twenty five years the petitioners are running a transport business under the name of Hub Coach Services. Their buses are plying from Lea Market Karachi to Attock Cement Factory Hub Chowki. It is further stated that the petitioners have obtained route permits for 100 vehicles. After expiry of their permits the petitioners want its renewal. Learned counsel for the petitioners argued that for the purpose of renewal they approached the transport authority but their renewal was refused. When the Court asked the question to the learned counsel for the petitioners whether any written application has been filed for renewal of route permits, the learned counsel for the petitioners confessed that no application has been moved, but all approaches were oral.
