==

The alleged detenu Tekam Das is produced by SHO P.S Badin. He appears to be a well built and intelligent person. It is stated by him that he by taking new name as Tanveer Ahmed has embraced Islam by his choice without any coercion and compulsion from any corner; he is under no wrongful confinement and being free person is passing his life independently and does not want to join his mother, the petitioner. His statement to that effect is recorded by police, it is taken on record. The circumstances *prima facie* suggests that no case for wrongful or illegal confinement/detention of the alleged detenu is apparent, which may justify this Court to make interference with it, in exercise of its constitutional jurisdiction by way of instant petition; it is dismissed accordingly.
