1]. Urgency granted.

2]. We have seen the counter affidavit and perhaps after restoration of admission of the petitioners the management has provided them an opportunity to sit in October 2021 semester. Learned counsel for the petitioners is adamant that the petitioners should have been accommodated to a semester immediately with the passing of order dated 27.5.2021. This apparently was not the spirit of the order. The Vice Chancellor who gave a statement that after restoration of the admission the petitioners may apply individually and after fulfillment of the conditions, it may be referred to the Financial Aid Committee of the institution for sympathetic consideration and decision. The committee has now accommodated these petitioners to sit in October 2021 semester which is apparently a fair proposal.

In view of the above, the contempt to an order referred to above is not made out. Accordingly the contempt application stand dismissed.
