=====

In compliance of the order dated 11-2-2021, the Additional Inspector General of Police, Karachi Range has filed a comprehensive report. The report is indeed an eye opener and sheds light on the modus operandi of international drug smuggling gangs. The Additional Inspector General as well as the members of the committee he formed to look into the matter deserve appreciation for the work which they have put in in the investigation. It is hoped that steps will be taken so that the police officers at the ground level can also investigate cases in such a manner. While the report is self explanatory, for the sake of reference we would like to reproduce its preliminary findings which are as follows:

*“Thorough investigation and inquiry so far has revealed that narcotics are smuggled through sea route from Baluchistan to Africa. Money earned from narcotics trafficking is paid in Middle Eastern countries like Oman and Dubai. Nasrullah @ Haji Imran and his relative Qambar s/o Jan Muhammad Bizenjo run the bang of narcotics trafficking and they are operating in Baluchistan and Sindh in Pakistan. Whereas they are internationally trafficking drugs to Middle East and Africa. Narcotics trafficking money is invested in real estate later on.*

*Regarding the handing over of three Nigerians it has come to knowledge of the undersigned that they were handed over to Dilbar Khan Malano with malafide intention and in lieu of some consideration by SIO Defence Waseem Abro and SHO Defence Muhammad Ali Inspector. Hence, inquiry of the matter should be conducted and the responsible should be taken to task as per law.”*

The learned counsel after going through the report does not press the instant bail application which is accordingly dismissed as withdrawn. We understand that the police also intends to file a supplementary challan before the learned trial court. Let a copy of this order be sent to the learned trial court for its information as well as the Additional Inspector General.
