Mr. Pervez Khurram advocate.  
Mr. Abdur-Rauf advocate for respondent.  
Mr. Muhammad Nishat Warsi, DAG

.....

At the outset learned counsel for respondent contends that number of daily wages workers is 850 whereas the list provided by the petitioner shows 350 workers as they were persons of their own choice. Here the question is whether daily wage workers are entitled to cast their vote in view of case reported in 2020 PLC 163. At this juncture learned DAG seeks time to submit definite statement that whether there are other daily wage workers as referred above or there are only 350 workers.

To come up on 28.09.2021. Interim orders to continue till next date.
