1. Despite giving several chances, the office objections were not removed. Listed application stands dismissed on account of non-prosecution.

2to4. Learned counsel states that petitioner imported three consignments and one has been released when certain directions were issued by the Court on 24.2.2022. He states that since two other consignments were of the same nature, therefore, he would be satisfied and would not press this petition if directions are issued to the Respondent No.3 to examine those two consignments and if those are found to be on the same pedestal similar treatment, as given to the released consignment, may be accorded to those two consignments as well. Learned counsel appearing for the Department has no objection in this regard. We therefore, dispose of this petition by directing the Respondent No.3, if the goods of the released consignment are similar to the goods of the impounded consignments, the impounded consignments should be released in accordance with the law after fulfilling all the legal and codal formalities, within fifteen days' time.

With these directions the instant petition alongwith all the listed and pending applications stands disposed of.
