Date of hearing	Order with signature of Judge.

Application in d/o case

- 1.For hearing of CMA 1069/2021
- 2.For orders on statement dt.31.10.2022 filed by applicant in person.

20-05-2022

Altaf Shah (Applicant) present in person.

Through this Application (CMA 1069 of 2021), the Applicant has sought recalling of Order dated 17.09.2021, whereby this Civil Revision Application was dismissed for non-prosecution in the following terms:

“Applicant is present in person and submits that he will proceed the matter by himself. While confronted, he does not have his file and is otherwise unable to proceed and or assist the Court. Record reflects that on last three consecutive dates, matter has not been proceeded on behalf of the applicant, as either nobody has turned up or as and when applicant has turned up, he is not ready to proceed. The matter pertains to year 1990 and on numerous occasions, this Court has been compelled to issue notices to the applicant as if it is the responsibility of this Court to ensure that he is always available. I have given him a chance today, but he is not proceeding. Accordingly, this Civil Revision Application is **dismissed for Non-Prosecution**”.

The Applicant is present in person and has made no substitutive arguments which could convince this Court to recall the said Order, which is self-explanatory and was passed for the reason that continuously nobody had turned up on behalf of the Applicant to pursue this matter which was pending since 1990.

In view of such position, this Application does not merit any consideration and is hereby dismissed.
