

## ORDER SHEET

**IN THE HIGH COURT OF SINDH AT KARACHI**

SUIT NO. 1210 / 2016

---

DATEORDER WITH SIGNATURE OF JUDGE

---

1) For hearing of CMA No. 8227/2016

-----

03.10.2016

Mr. Muhammad Arif Advocate for Plaintiff.

Mr. Abdul Hameed Iqbal Advocate for defendant

-----

On 2.6.2016 an interim order was passed in this matter whereby the defendant was restrained from causing harassment and humiliation by issuing misleading notice in market to damage the reputation and goodwill of the plaintiff. Thereafter, 10.9.2016 and 26.9.2016 statement was made on behalf of the plaintiff that some compromise is being reached with the defendant and on his request matter was adjourned for today.

Today once again the plaintiff is present along with his Counsel and request for further time, whereas, learned Counsel for defendant has placed on record a compromise deed dated 9.9.2016, perusal whereof reflects that such compromise has been reached between the parties and the plaintiff has undertaken to withdraw instant Suit. It appears that on the one hand the plaintiff after obtaining interim order is seeking adjournment on the ground of compromise, whereas, on the other hand, has already entered into such compromise and instead of withdrawing instant Suit, is lingering on with the matter. In the circumstances, it in the interest of justice, matter is adjourned; however, the interim order passed on 2.6.2016 is hereby recalled.
