R.A. No.84 of 2017

1. For orders on office objection
 2. For hearing of main case

05.04.2021

Mr. Muhammad Safdar, advocate for applicant
Mr. Bashif Kazi, AAG
Syed Masroor Ahmed Alvi, advocate for respondent No.2

This revision application is against the current finding of two courts below in respect of rectification of the date of birth in the credentials/SSC certificate of the applicant. Learned counsel for the applicant has not satisfactorily explained as to how such data recorded in SSC certificate, on which he has sought employment could be altered. Be that as it may, we do not see any discrepancy in the orders of two courts below, whereby the suit was dismissed by the trial court, maintained by the appellate court. At the conclusion of the submissions, counsel for applicant states that if the Board of Secondary Education, who issued such certificate, be allowed to reconsider their application for correction in the date of birth, he would be satisfied. Learned counsel for respondent No.2 has not opposed such request and states that in case such application for correction in the date of birth of the applicant in the SSC certificate is filed that may be taken into consideration in accordance with law. However, these proceedings against the current findings require no interference or indulgence and the revision application is accordingly dismissed.
