After hearing this post arrest bail application at some length, it seems that the contraband was seized at site and were sent for lab. analysis which report is available. The report confirms that the contents were nothing but charras. The reason for not sighting the private Musheers was also highlighted, hence, I deem it proper that since the principal witness has not been examined, let the evidence of the principal witness of IO atleast be recorded whereafter the applicant may repeat the bail application before the concerned court having jurisdiction.

It is expected that the evidence of main witness be recorded in four [4] weeks` time whereafter the bail application be repeated.

Application disposed of accordingly.
