1. Urgency granted.
- 2-5. Through this petition, the petitioner has prayed to issue directions to the respondents to stop/remove the illegal construction/occupation which, according to him, is being carried out under the supervision of some Societies. On the face of it, this petition does not seem to be maintainable and is found to be vague, as neither any specific area, plot, house etc. has been pointed out on which illegal construction has been raised nor any specific allegation with regard to any particular site or society has been pointed out, whereas only certain vague, sketchy and frivolous allegations with regard to some illegal construction being carried out under the supervision of some Societies have been mentioned / alleged. The instant petition thus is found to be wholly misconceived and not maintainable and stands dismissed in limine along with the listed applications. Through we could have imposed a heavy cost upon the petitioner for filing such a vague and frivolous petition but by taking a lenient view no penalty is being imposed.
