Mr. Nizamuddin Khan Advocate for the petitioner  
.X.X.X.X.

This petition is against an order dated 03.11.2018 whereby the visitation rights of father with ward to the extent of one and half hours was maintained by the appellate Court.

Counsel for the petitioner submits that though the father has not seen the ward since last eight years therefore, in order to improve the cordial relationship, it is necessary that the meeting time be increased to eight hours or so with child.

I have heard the learned Counsel and perused the record. In view of strange relationship, it is not at all conducive for ward to increase the meeting hours for the child as far as the present circumstances are concerned, since the child is totally unaware of this relationship. Petitioner/father admittedly has not seen her (ward) for last eight years and all of sudden the child could not be left on the mercy of father for an extended meeting. The father may first improve his relationship by meeting the child as ordered by the appellate Court and in case the relationship is improved, he then would at liberty to move application for extension of time, however it would be dependent upon the meetings that would be conducted in terms of orders of the appellate Court.

In view of above, the order of the appellate Court is maintained subject to moving fresh application if so required and permissible under the law as mentioned above.

The petition stands disposed of along with pending applications.
