.....

In both suits property is same that is owned by father of defendants. Admittedly defendants have share of 89% and 11%. Defendant who is claiming 89% share is ready to relinquish/transfer his share to the plaintiff whereas defendant who is entitled for 11% share has filed suit No.819/2015 wherein he seeks cancellation of that sale on the plea that he has not entered into agreement.

Admittedly that agreement is not signed by the plaintiff. Secretary of the Society (defendant No.3) present contends that this plot cannot be separated/bifurcated and the portion of the plaintiff in Suit No.819/2015 is meager and therefore they cannot bifurcate the plot hence learned counsel for plaintiff in suit No.1731/2014 seeks time for want of instructions.

Office to place copy of this order in connected suit.
