Counsel states that case of the petition falls on the same pedestal as that of C.P. No.5491/2022 and same may also be disposed of on the same terms. Since instant petition is found to be on the same pattern, the same is disposed of in the same manner and method as referred in the order dated 11.10.2022 passed in petition bearing CP No.D-5491/2022, which reads as under:-

“In the circumstances at hand, we tend to agree with the contentions of the learned counsel for the petitioner who has shown to us that the petitioner is located in PATA/FATA and the counsel states that the petitioner has already been given quota for such imports and therefore it be permitted to file a GD for TP in order to take consignment to the designated dry port. We, accordingly, dispose of this petition by directing the customs authorities to consider the request of the petitioner for releasing the goods and issuance of TP once post-dated cheques good for payment/bank guarantee is furnished by the petitioner with the Nazir of this Court. It is clarified that the moment the petitioner deposits the said security with the Nazir, the Nazir will issue a certificate to the concerned Customs Authority who would then issue GD TP in favour of the petitioner to enable the petitioner to carry the goods to the concerned dry port area. With these directions, the petition stands disposed of alongwith the listed application. The Custom Authority as well as petitioner are directed to strictly abide to the various CGOs issued by the FBR from time to time in this regard.”

This petition, alongwith pending application(s), is disposed of in above terms.
