Applicant Mubeen Haider Khan in person.
Mr. S. Meeral Shah, APG for the State.

1) Urgent application granted.

2&3) Through this application, applicant seeks transfer of his case bearing Sessions Case No.3632 of 2021 from the Court of III-Additional Sessions Judge to some other Court.

I have heard the petitioner who is appearing in person and perused material available on record.

The only contentions raised by the applicant are that it has been nine months since directions were given to the trial Court for expeditious disposal of his case, which has not been done and further that some of his applications were dismissed by the trial Court. These hardly constitute grounds for transferring a case from the Court of competent jurisdiction. There is no allegation against the presiding officer and/or ground raised by the applicant except that the matter is pending for about nine months and some of his applications have been dismissed. The record also reveals that earlier also applicant has moved transfer application, which too was dismissed as having been filed without any reasonable ground.

In the circumstances, since no grounds, which could enable this Court to transfer the matter to any other Court, have been raised, this transfer application being misconceived is dismissed.
