Petitioner and his counsel are called absent, no intimation is received. Learned counsel for the SBCA has submitted report alongwith annexures, which is taken on record, however, submits that as per record, there is no violation found in respect of the subject property, as approval was given for ground plus two floors residential, which has been prima facie made as per approved building plan and there is no fresh construction observed at the site. It appears that for this reason, petitioner is not coming forward to pursue instant matter, which is accordingly disposed of alongwith listed application.
