31.05.2023.

Mr. Mohammad Akram, Advocate for the petitioner.
Mr. Altaf Ahmed Sahar, Advocate for KDA.
Mr. Dhani Bux Lashari, Advocate for SBCA.
Mr. Miran Mohammad shah, Additional AdvocateGeneral Sindh.
Mr. Shakeel Siddiqui, Director (E&E) KDA is present.

In furtherance of Courts order dated 10-5.2023, learned counsel for KDA has filed an interim report which reflects that substantial compliance of the order has been made, however, it appears that on account of insufficient police force and the machinery, complete demolition of unauthorized construction and encroachment could not be made pursuant to Court's order. It has been prayed by the learned counsel for the KDA that the concerned police and Rangers Authorities may be directed to provide sufficient force and machinery to ensure compliance of the Court's order in letter and spirit. Learned AAG is directed to look into the matter and to ensure that the undertaking given by the KDA authorities shall be honored and sufficient police force along with machinery shall be provided to the respondents for carrying on demolition of the unauthorized and illegal encroachment pursuant to Court's order. Since substantial compliance appears to have been made by respondents and encroachment from most of the area has been removed, therefore, no further orders are required to this effect, however, after further compliance of the Court's order by the respondents, report may be submitted to the MIT within two months. Listed application sands disposed of in the above terms.
