ORDER SHEET IN THE HIGH COURT OF SINDH AT KARACHI

CP NO.S-994/2022

Date Order with signature of Judge

For order on M.A.No.118/2023.

29.04.2024

Mr. Muhammad Ali Waris Larri advocate

.....

By order dated 08.12.2022 this petition was disposed of with direction that petitioner's son may face proceedings of the criminal case. This review application seeks action against police officials on the plea that son of the petitioner died due to lodging of the cases against him and harassment caused by the police officials.

Admittedly petitioner's son was not killed in an encounter or died in custody of police; whereas counsel contends that he died due to high fever and pressure by the police officials. Accordingly, this is not a case of review and legal heirs of that boy will be at liberty to approach civil court with regard to malicious prosecution if any. Review application is dismissed.
