**AMJAD ALI SAHITO, J:-** In pursuance of the Court directions, the Chairman Enquiries & Anti-Corruption Establishment is present in person and states that investigation in the matter is going on however still they have not come into conclusion whether the applicant is involved in corruption / misused of his powers or not.

2. In view of the statement of Mr. Chairman, the counsel for applicant urged that the applicant/accused is the victim of atrocities caused by prosecution and departmental grudge and victim of acts which are not done by him nor under his domain. He further submits that the applicant/accused being innocent has falsely been implicated in this case due to departmental grudge and whole story appears to be false, fabricated and managed one. Notwithstanding, learned A.P.G submitted that investigation has been completed by filing the challan and there is no fruitful evidence could be brought against present applicant/accused hence, she conceded the bail plea of the applicant/accused

3. Under such circumstances and in view of above statement, the case against applicant/accused requires further probe therefore, instant bail application is allowed and the interim pre-arrest bail already granted to applicant/accused is hereby confirmed on same terms and conditions.
