J U D G M E N T

SALAHUDDIN PANHWAR, J. Through instant criminal miscellaneous application, the applicant (complainant) has challenged short order dated 01.07.2016 and reasons thereof recorded on 15.07.2016 whereby post arrest bail to respondent was granted by this court.

2. It is contended that this Court has failed to consider the material facts while granting post arrest bail to respondent; respondent is the main culprit; it is not the case of further enquiry hence impugned order is illegal.

3. Candidly, applicant has not challenged the impugned order before apex Court nor has taken plea that respondent has misused the

cancellation of bail; appropriate remedy was available with the applicant to approach honourable apex Court against the order passed by this Court, hence instant Criminal Miscellaneous Application being meritless, is dismissed.
