-----

1. Urgency granted.

- 4-5. The petitioner, by way of the instant petition, has sought the removal of the subject construction under the deception that it is illegal, unauthorized and has been raised with substandard material. Whether it has been raised illegally by using substandard material is a question involving a factual controversy; the same could not be resolved by this Court directing its removal in the exercise of its constitutional jurisdiction by way of the instant petition; the same being misconceived is dismissed in *limine*; the same even otherwise is hit by laches.
