ORDER SHEET IN THE HIGH COURT OF SINDH AT KARACHI

CR, MISC. APPLICATION NO.572/2022

Date	Order with signature of Judge

- 1. For order on MA No.11731/2022
- 2. For order on MA No.11732/2022
- 3. For hearing of main case.

<u>10.10.2022</u>

Mr. Asif Ali advocate for applicant.

.....

1. Urgency granted.

2&3. Applicant seeks cancellation of bail. Admittedly prosecution version speaks that victim received sharp cutting injury whereas medical certificate negates that version and contains that victim received injury of hard and blunt substance.

Besides, criterion of cancellation of bail is entirely different and applicant has to satisfy that impugned order is against the spirit of law. Here this is not a case of cancellation of bail. Criminal miscellaneous application is dismissed.
