IN THE HIGH COURT OF SINDH AT KARACHI

CR. MISC. APPLICATION NO.632/2022

Date Order with signature of Judge

1. For order on MA No.12764/2022
2. For order on MA No.12765/2022
3. For hearing of main case.

31.10.2022

Mr. Muhammad Nadeem Khan advocate

.....

1. Urgency granted.

2&3. Heard. Admittedly petition was culminated on the compromise between the parties and visitation schedule was specified as well. According to counsel, meeting was continued however respondent has violated the terms of compromise hence applicant preferred contempt application that was declined by the trial court on the plea that there is no issue of non-compliance of any order of that court as there is no specific order.

Since matter was patched up between the parties and if there is any violation of legal obligation of that contract, applicant would be at liberty to file fresh petition instead of contempt application, hence trial court has rightly dismissed that application. Accordingly, present criminal miscellaneous application is dismissed.
