2. For hearing of bail case.

29.1.2018.

Mr. Peerano Khan Jatoi, advocate for the applicant.

Mr. Khadim Hussain Khoonharo, Addl.P.G.

====

Learned counsel for the applicant has filed true translation of FIR through statement which is taken on record.

Through this bail application, applicant Saeed Khakhrani has sought post arrest bail in Crime No.107/2015 of P.S Naudero registered for an offence U/S 302, 201, 311 PPC, after his bail plea moved before the trial Court was declined vide order dated 29.11.2017.

This FIR has been registered by the State on receiving information that applicant alongwith his other family members killed his sister Mst.Imtiaz Khatoon on the allegations of kari and threw her dead body in Dadu Canal on 23.12.2015 in early hours of the morning which was never recovered.

Learned counsel has argued that this is an unseen incident and all the family members have been implicated in this case. However, during the arguments he has informed that the said lady was killed by some unknown dacoits but when he is asked as to why the FIR was not got registered by her family members against the dacoits, he has no answer which would imply that the information received by the police against the applicant and others prima facie connects them in the present offence, which carries capital punishment.

Learned Addl.P.G has informed that the trial is going on and some of the witnesses have been examined.

In these circumstances, while rejecting this bail application, I would direct the trial Court to proceed with the matter expeditiously and examine the material witnesses within a period of four months after which the applicant would be at liberty to move a fresh bail application, which if moved shall, however, be decided on its own merits.

The application stands disposed of.
