Mr. Faisal Ahmed advocate for petitioner.  
Mr. Abdul Wahab Baloch, DAG.  
Mr. Saifullah, AAG alongwith Mr. Sarmad Sarwar, Law Officer, ECP.  
.....

While referring section 39(2) of the Sindh Local Government Act 2013 reproduced as under, Law Officer of Election Commission of Pakistan, contends that since petitioner is contesting election of district council therefore there is no embargo that he shall be voter of a particular ward hence petitioner is competent to contest the election. Accordingly they are not supporting the impugned order.

Admittedly petitioner is contesting election for district council as is reflecting from nomination form and is a voter of same district therefore competent to contest election. Accordingly with the consent of the respondents, present petition is allowed; nomination form of petitioner shall be accepted by the election authority and ensure that this process is completed within two days.
