Mr. Abdul Qayyoom Abbasi Advocate for defendants
.X.X.X.

The plaintiff has filed this suit for declaration that the plaintiff No.1 is tenant of the premises till 2016 and that directions be given to the defendants to execute tenancy agreement. It appears that the parties have agreed for disposal of the suit in terms of the order dated 27.5.2014.

Accordingly the defendants are directed not to dispossess the plaintiff without due process of law, however the defendant would be at liberty to proceed with the ejectment application or in case they intent to file any fresh proceeding, they are at liberty to do so. However direction given in terms of this order regarding statutory tenant, shall be subject to the proceedings of rent case or any other due process of law.

The suit along with all pending applications stands disposed of.
