=====

Learned advocate for the petitioner was required by this Court to satisfy the Court about maintainability of this petition as to how the petitioner has approached this Court without exhausting remedy available to him under the law. Petition has been mainly filed for directions to respondents No.1 and 2 to carry out measurement of agricultural land of the petitioner. Counsel for the petitioner says that he would be satisfied if he is allowed to file the suit before competent Court of law for the purpose of carrying out the measurement of agricultural land of the petitioner.

Petition is disposed of in above circumstances, however petitioner would be at liberty to approach the concerned Civil Court if advised so.
