This petition is pending since 2016 and the petitioner has not cared to have it fixed even once. It pertains to unauthorized construction over the subject plot and the only prayer made by the petitioner is that the construction may not be demolished as in the vicinity all have raised such type of constructions. This could hardly be a ground for consideration of this Court. However, since petitioner and her counsel are not pursuing this case, it appears that they have lost interest in the petition, which is accordingly dismissed for non-prosecution along with listed applications.
