.....

By means of this petition, the petitioner is seeking directions for respondent No.3/S.S.P Larkana to remove the illegal police Post Phull made over his property situated in Sy.No.557 of deh Dhandano, Tapa Taluka and District Larkana as per entry No.612 dated 17.05.2004.

We have heard the petitioner in person. Before us he has admitted that said police post is not situated over his land but in front of his lands. We have also seen the comments filed by respondent No.1, he has denied to have built the police post over the land of petitioner. In his reply to para Nos.2 and 3 of the petition, he has submitted in the comments that police post was established for about 25/30 years ago on the side of the road, which is government property, in order to keep the Larkana city safe from the dacoits/criminals as to the other side of the police post there is River Indus. Since this fact has been established that said police post is situated on the government property, we are of the view that petitioner cannot maintain this petition for issuing order to dispossess the police from the government land.

The petition is accordingly dismissed along with listed application.
