C.P. No.S-134 of 2018

M/s Exenith Purified Aqua Services

Versus

Senior Superintendent of Police & another

Date: Order with signature of Judge

1. For hearing of main case.
2. For hearing of CMA 402/18

Dated: 07.02.2018

Mr. Rasheed Ashraf Mughal for petitioner.
Mr. Zahoor Shah, DPG for the State a/w Inspector Javed Ahmed
Jalbani from PS Sukhan

The petitioner claims to have been running RO plant. When inquired about any permission to run such RO Plant and/or permission of extraction of water as it may cause effect to the subsoil equilibrium and environmental subsoil salinity, he had no answer. The official respondents claimed to have taken action under the orders of the Hon'ble Supreme Court in some connecting proceedings. However in order to obtain orders from this Court by distinguishing its case from those referred in aforesaid case, the petitioner has to show the equity in its favour. In the absence of permission from any corner whatsoever they could hardly be allowed to continue extracting water on commercial basis from soil to cause adverse effects to the environment.

Petitioner in view of the above is not an aggrieved person. No indulgence is required. The petition along with listed application is dismissed.
