This is a contempt application pending in respect of orders dated 26.1.2018 and 14.2.2018. This petition was disposed of in terms of subsequent order dated 14.2.2018 whereby the official respondents were directed to act strictly in accordance with law. The grievance, as argued by the learned Counsel for the petitioner, are that subsequent to the orders of this Court two FIRs have been lodged by the official respondent i.e. SHO Shershah PS. He considered the act of lodging FIRs as violation of the two orders referred above.

I have heard the learned Counsels and perused the record.

The only direction given to the official respondents in the referred order is to act in accordance with law. Insofar as the lodging of FIRs are concerned, perhaps the cognizance was taken in respect of alleged offence and it was registered accordingly. It cannot be framed within the violation of the orders referred above. In case these FIRs do not depict correct fact, the redress is available to the petitioner by moving an appropriate application before the concerned Court, however the act of lodging FIR by the concerned SHO is not an act of violation of the order referred above. The application is dismissed.
