It is stated by the Counsel that petitioner is not being provided water to his lands as per share list. Para-wise comments have been filed by Respondents No.4 & 5 along with certain documents, which are taken on record. In their comments, they have stated that petitioner is irrigating his whole land and in fact is getting water more than due share. They have also submitted the relevant record supporting their statements. In such circumstances, no case for indulgence is made out. Accordingly, this petition is dismissed along with pending application(s), if any.
