I have heard the parties. I do not see any illegality in the Order passed by the learned Magistrate wherein the learned Magistrate has directed the Irrigation authorities for restoration of the water course without disturbing the land of any khatedar and should be done according to law and as prescribed in Sindh Irrigation Act. Although I do not see any breach of peace occurring on restoring the government watercourse but if at all any apprehension of breach exist the learned Magistrate has already directed the SHO PS Rahooki to provide necessary means to Assistant Executive Engineer Masoo Sub-Division in this regard. In such circumstances, the Order of the Magistrate is upheld with the direction to the Irrigation Authorities to conduct themselves strictly in accordance with law and under prescribed procedure. Matter disposed of.
