=====

None present for the applicant nor any intimation is received although the name of the learned counsel has appeared in the daily cause list. Same was the position on the last date of hearing as well. Record reflects that after filing this case the applicant has not taken much interest to proceed with this matter. From the conduct of the applicant it appears that the applicant has lost interest in the matter. In this regard, I am fortified by case of Ghulam Qadir and others v. Sh. Abdul Wadood and others (PLD 2016 Supreme Court 712), in which Hon'ble Supreme Court has held as under:

"Revision Court should not be compelled to decide a civil revision on merits in the absence of either party (ies) just because it had been admitted to regular hearing. Court should not be rendered a slave to a person who filed a revision petition and subsequently choose not to appear before the revision court due to disinterest or ignorance/indolence and neither should such person be awarded a premium/privilege in such regard, as this would result in (possible) injustice to the contesting party. "

In view of above, keeping this Civil Revision pending for an indefinite period would serve no useful purpose therefore, instant Civil Revision is dismissed for non-prosecution.
